 - **Application for Commuter Student Status:** Chatham University has a two-year residency requirement that requires students to reside in on-campus housing their first two years at Chatham. Exceptions to this policy can be found at chatham.edu/student-experience > Housing & Dining > Undergraduate Housing. Students who wish to commute and not live-on campus must complete the Application for Commuter Student Status. Applications can be found at my.chatham.edu > Services & Departments > Residence Life. Once approved, commuter students are able to apply for a parking pass through my.chatham.edu.

- Ensure that your appointments are scheduled to meet with your physician to complete your medical forms via Med+Proctor.

Health/Immunization Record Information
